

BUY A BRICK!

If you would like to leave a legacy in stone, purchase a brick for the alumni tribute garden, located on the north side of Park House on the Parkville campus. Bricks can be personalized with your name, class year, or the name of a loved one, favorite professor, club name, etc.

The cost is \$100 per brick. Proceeds go the Park University Alumni Association to fund scholarships and alumni activities.

Commemorative bricks can hold three lines of 12 characters each, including spaces. You may specify numbers, upper and lower case letters, and punctuation marks found on a standard keyboard. Spaces won't be inserted unless you leave one blank.
